No. 5137/501 Office of the Inspector General of Police in Mysore.

Bangalore, Dated 5th M a y 1917.

From

K. R. Srinivasiengar Esquire, M.A.,
Offg. Inspector General of Police in Mysore.

To

D. M. Narasinga Rao Esquire, B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

With reference to Government Proceedings No.J.5026-7/Police.217-15-2 dated the 29th June 1916, sanctioning the continuance of the Jui Juitsu schools in the State for a further period of one year, till the 30th June 1917, I have the honor to state that the number of officers and constables trained in the several schools from the ~~very~~ commencement up till now is detailed in the margin.

2. The school at Mysore which was being maintained by the Palace was closed after Professor Sano returned to Japan, and it has not been reopened, nor has the establishment sanctioned therefor in Government Proceedings No.J.1947-48 Police.181-12-11 dated the 7th January 1914, been entertained till now.

3. The schools at Tumkur and Kolar Gold Fields were opened only in October and February last respectively as though the buildings were completed earlier the tarpaulins for the

platforms could not be secured in time, as already submitted to Government. Though these schools have been working a short time, it is learnt that the students under training therein have been making good progress, and it is hoped that a good number of men would be trained in them in the course of the next year.

4. The school at Bangalore could not show better progress, as the old shed had to be dismantled, and there was considerable difficulty in pitching upon a site for the new shed, which has, after all, been recently constructed, after a good deal of correspondence &c, as Government are aware of. Considering the obstacles that had to be overcome, the number trained in this school cannot be said to be unsatisfactory.

5. The number of officers and men trained in all the schools till now forms but a small fraction of the force and there is still a very large number of both officers and constables of the Force who have to be trained in this useful art, which is considered as a sine qua non for all Police services. It will be therefore necessary to continue the schools for some years more at least. I shall submit definite proposals in the matter after studying the subject more closely; but in the meantime, I request that, as the current sessions of the schools will terminate at the end of next month, and fresh men will have to be drawn in from the Districts and trained from 1st July 1917, sanction of Government may kindly be obtained for the continuance of all the schools for a further period of one year, till 30th June 1918.

I have the honor to be,
sir,
Your most obedient servant,

Offg. Inspector General of Police.
